

## Table of Fees for Services

Carefully read Item 4 and Item 5 of Form ADV Part 2A (“Brochure”) for more details of Mission Park Capital advisory services and fees, respectively. Fees below are charged when clients request the services listed. Fees below may not apply to all clients. Fees may be negotiable. Different fees may represent alternative payment options for similar services or combinations of services. Fees and service terms are subject to periodic revision. Clients may be notified of fee and service revisions to their account through the means defined in the client services agreement. As firm-wide fee revisions occur, clients account fee schedules may be “grandfathered” at their prevailing fee schedule. Talk with Mission Park Capital about what services are appropriate for you and the fees that will apply.
